Flexible Pricing Options (FPO)

The Client has the option to choose from the following alternative plans:

A - Client Collects Proceeds

Option A1: The Client pays a 7.5%* fee which will be reduced according to the Tiered Fee Reduction Schedule (described below). GovDeals will invoice the client each month for fees on items sold in the previous month. The client is allowed thirty (30) calendar days from date of invoice receipt to remit payment.

Option A2: The Client pays a 7.5%* fee but is given the capability to easily pass the entire fee on to the winning bidder as an Administrative Fee. The client is only allowed to pass on to the winning bidder the amount charged to them based on the tiered pricing schedule above. The amount invoiced to the winning bidder will include the gross sale amount of the item, the administrative fee, any special fees and sales taxes, if any. By passing this fee on to the winning bidder, the client's effective fee is zero percent (0%). GovDeals will invoice the client each month for fees on items sold in the previous month. The client is allowed thirty (30) calendar days from date of invoice receipt to remit payment.
